Happy Holidays from RPC

We are grateful for another wonderful summer at RPC in 2009. Staff members were excellent, the facilities and programs were great and the campers were first-rate. Plans are well under way for 2010!

In the Kitchen

As we all know, the kitchen is one of the most important places in Camp. Who doesn't salivate when the bells ring sharply at 8:30 a.m., 1 p.m. and 6 p.m. each day reminding us that it is time to eat. For the summer of 2010, we are pleased to announce that once again GB Catering will be returning to provide us with a great selection of food and drink. Soon we'll be offering praise "to the Cook" as we sing the Red Pine Song once again.

One of the hardest working machines that we have in camp is our Hobart dishwasher. For decades, our model C44 has been a reliable friend to the slop staff. However, C44 is retiring and will be replaced by his energy-star rated grandson CL44e, who promises to use less water, less energy and fewer chemicals while being as reliable and long-lived as old C44. – *Bob Orchard*

Best wishes for a healthy and happy holiday season. We look forward to seeing you at Red Pine Camp in 2010.

Junior staff applications

Candidates for 2010 junior staff should contact the Red Pine office at redpine@redpinecamp.org or 613-828-0700 to get applications and information about upcoming meetings and interviews. All staff applications must be received by Jan. 31, 2010. Applicants must be age 16 or 17 on July 1, 2010.

Work Parties

Think about volunteering for 2010 RPC Work Parties to be held on the weekend of May 29-30 and June 5-6.

2010 Camping Dates:

Before you book your 2010 vacation days, please check out the camp schedule on the Red Pine Camp website at www.redpinecamp.org

Tuck's the Place

It won't be long before we meet on the porch of the Tuck Shop for an early-morning coffee, a game of euchre or some enlightened conversation. Before then, you might want to consider what RPC clothing items you would like to order before you arrive at camp. Watch for a future email with details about the clothing pre-order system we will offer again this year. – *Bob Orchard*

Planning cabin upgrades

Merry Christmas and Happy New Year from the RPC prop staff. We would like to conduct a survey to identify where improvements can be made to our cabins so that we can make your stay at Red Pine more enjoyable. We ask for your assistance in submitting the No. 1 most important improvement you think should be done. Please tell us who you are, your cabin number and the week that you attend camp. Forward info to Michael Lachance at dmml@rogers.com and cc to Barb Fisher at redpine@redpinecamp.org. This information will help plan for the future. Thank you. – *Michael Lachance*
