ONLINE BANKING

If you are set up for online banking, you may pay your camp deposit or full bill online through your bank.

Step One set up Red Pine Camp Inc. as a bill payment option through your bank's online bill payment section and use your **Family ID as your Red Pine account number. Your Family ID number will appear on your request for payment email sent after your booking has been approved. **Some banks may use one less zero than others. If you receive an error add or subtract a zero from the front of your family ID number. If you still experience problems, please contact the office at the number below.

Please do not pay any amount until you have received a request for payment email.

Step Two follow your banks online process for paying a bill online.

Step Three choose the proper deposit amount to pay according to your registration request. Many campers opt to pay the balance of their camp fees prior to arrival to speed up check in time. Then, you only need to stop by the office for a snack and your badges. Please see "[Camper Dates & Rates](#)" for more information about deposits.

Step Four REMEMBER to record your confirmation number and keep it in a safe place to confirm all camp payments you have made online.

NOTES

If you are paying for more than one camp fee, please send along a quick email to the office to let them know the breakdown of how you would like your payment applied. Include the family name or booking ID's to ensure payment is applied correctly.

If you wish to pay the full amount of your camp bill prior to arrival, please feel free to do so up to two weeks before you check in at camp.

If you have any questions, please contact the office 613-828-0700 or redpine@redpinecamp.org
